

Street Invaders wants to encourage all of our students to be recruiters for this summer mission program. Our goal is to eventually have 1000 students involved each summer, which we believe will have a radical effect on our country. We will need all the help we can get to complete this vision. If you are attending Street Invaders this year, and would like to help us with this goal, Street Invaders will put **\$25.00** towards your personal registration costs for every student you recruit for this summers program.

Note: Street Invaders will credit your account with the names of students you have recruited for this year's Street Invaders program on the following basis:

- That this is their first time at any location or program of Street Invaders
- That they state that you are the main reason for their attendance this year
- That they sign the form below stating this to be so

If you have any questions about this process, please contact our offices.

Mail or Fax (403-717-0709) this completed form to:
#8 3530 11A Street NE
